Mountain States Hydrogen Business Council

### **Mountain States Hydrogen Business Council Announces 2008 Conference, Elects New Board Members**

The Board of the Mountain States Hydrogen Business Council (MSHBC) today announced its 2008 conference: the 4<sup>th</sup> Annual MSHBC Implementer's Conference. Co-sponsored by the Governor of Wyoming and the National Energy Technology Laboratory, the conference will be held in Laramie, Wyoming July 22 – 24. The conference has been endorsed by the University of Wyoming, the Energy and Environmental Research Center at the University of North Dakota, the US Chamber of Commerce, and the US-India Business Alliance. Information regarding the agenda and registration will be forthcoming.

The Board also announced its biannual change in leadership, effective immediately: David Haberman, IF, LLC, President and Conference Chair; Dan Rabun, Air Products & Chemicals, Vice President and Conference Co-Chair; Al Unione, Parsons Corporation, Board Member; Ray Hobbs, Arizona Public Service, Board Member; Tim Kehrli, Solar Integrated, Board Member; Hazen Burford, Intelligent Energy, Secretary and Board Member; and Gerry Runte, ARES Corporation, Treasurer and Board Member.

“The MSHBC is proud to continue its annual tradition of conducting impactful conferences in the region,” said David Haberman, President of the MSHBC. “Our fourth conference this July will reflect aspects of the global and national hydrogen scene with particular relevance to the Rocky Mountain region.”

The Mountain States Hydrogen Business Council (MSHBC) is a 501 (c) 6 non profit association representing a diverse membership of industry, academic, and government leaders whose aim is to build a business base for hydrogen energy in the mountain states of the US west.
